

4thD Christmas Services

4thD Christmas have been supplying, erecting, lighting and decorating both internal and external Christmas trees and lighting displays for clients over the last 17 years.

We've been commissioned by Town and District Councils, Shopping Centres, Cathedrals and Abbeys, Corporate Headquarters, Football Clubs, Universities, Offices, Racecourses and private individuals among others.

With flexibility on delivery, installation and removal dates, we're happy to work with you to fulfil your criteria and requirements and to provide you with the professional Christmas tree service for which you've been searching. We use only the best professional quality products for both our commercial and residential customers to give your displays the look and the durability you desire.

We are fully compliant with H&S laws and regulations and every employee is trained on robust safety practices, including 'Working at Heights' and 'Ladder Safety' certification.

Finally, for your peace of mind and to enable you to put total responsibility into our hands, we are fully insured.

Our Experience

Live

Artificial

Our Services

From 4ft to 40ft, live or artificial, internal or external... we will supply, deliver, install, decorate and light your tree. Then, after Christmas, we'll remove it.

If you prefer the perfect "Christmas Tree" shape then choose an artificial tree. If you prefer something more natural and loose, then a live tree is for you. Both tree types can be decorated in our selection of colour schemes but bespoke designs are also available – we can cover most options.

So, there you have it... now all you have to do is choose the type of tree, size of tree and colour scheme - then sit back and relax while we do the hard work for you.

All our live trees are sourced from specialist growers and have Forest Stewardship Council (FSC) certification. We have two main varieties: The Nordmann Fir, which has the best needle retention or the traditional Norway Spruce. Plus, we can supply artificial trees in a variety of sizes.

Our Colours

For our fully-decorated live and artificial trees, we offer the range of colour schemes shown on this page. If you're looking for something extra special then bespoke designs or mix & match colour schemes are available and we would be more than happy to discuss your requirements with you.

These images are for illustrative purposes only. Actual decorations may differ according to availability.

Terms & Conditions

TERMS & CONDITIONS

- All prices are excluding VAT at 20% but include delivery.
- Orders to be confirmed in writing.
- Full payment to be received prior to delivery for non-account customers.
- As long as you have followed our care instructions, any 'limited needle-drop' tree which experiences
- excessive needle-drop will be replaced or refunded as agreed between 4thD Christmas and the customer.
- No such guarantee is extended to 'traditional' trees.
- Delivery/removal outside office hours and at weekends will incur additional charges.
- All live trees have individual form and we cannot, therefore, guarantee their exact shape and size.
- All internal live trees will be installed into a waterable container unless otherwise specified.
- All decorated trees will be supplied with white lights unless otherwise specified.
- The customer is responsible for supplying a safe and accessible source of power to the base of each tree to be decorated. 4thD Christmas does not supply extension cables.
- All artificial Christmas trees, garlands and wreaths, decorations, lights, containers, stands, crates, bracing, fencing etc will remain the property of 4thD Christmas and you will be charged for any items not returned.
- The hire and cost of that hire of any necessary specialist access equipment or mobile staging and provision of additional stabilising will be agreed and charged prior to delivery taking place.
- 4thD Christmas are not responsible for any hazards arising from changes to the trees, lights or sundry decorations after installation.

Cancellation Policy

If payment has been received prior to installation then:
